DETAILED ACTION

Oath/Declaration

1. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by application number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

PCT/US03/05853 filed on February 26, 2003 written under claiming foreign priority benefits under Title 35, United States Code §19 (a-d) of any foreign application(s) is incorrect because PCT case is not a foreign application. If this PCT/US03/05853 case is 35 U.S.C. 371 National stage case, then the applicant is required to file necessary documents according to 37 C.F.R. 1.495 and 35 U.S.C. 371 to 372 in order to meet the requirements of 35 U.S.C. 371 National stage. Furthermore, this statement "PCT/US03/05853 filed on February 26, 2003" should be written in Oath/Declaration after the Title of the Invention and under this statement **"the specification of which was filed as PCT international application No. and (if applicable to U.S. or PCT application was amended on"** If this PCT/US03/05853 case is not 35 U.S.C. 371 National stage case, the examiner suggests the applicant **to simply delete the statement** "PCT/US03/05853 filed on February 26, 2003" written under claiming foreign priority benefits under Title 35, United States Code §19 (a-d) of any foreign application(s).

2. Applicant is now required to submit a substitute declaration or oath to correct the deficiencies set forth in this communication. The substitute oath or declaration must be filed within the **ONE MONTH** shortened statutory period set for reply in the "Notice of

Art Unit: 2839

Allowability" (PTO-37). Extensions of time may NOT be obtained under the provisions of 37 CFR 1.136. Failure to timely file the substitute declaration (or oath) will result in **ABANDONMENT** of the application. The transmittal letter accompanying the declaration (or oath) should indicate the date of the "Notice of Allowance" (PTOL-85) and the application number in the upper right hand corner.
